

CALIFORNIA BOARD OF REGISTERED NURSING GENERAL INSTRUCTIONS AND APPLICATION REQUIREMENTS REGARDING CLINICAL NURSE SPECIALIST (CNS) CERTIFICATION

GENERAL INSTRUCTIONS

I. General Application Requirements

Clinical Nurse Specialist certification eligibility requires the possession of a current, clear and active California RN license. The following must be submitted to the Board of Registered Nursing for Clinical Nurse Specialist certification purposes:

- 1. Completed Online Application for Clinical Nurse Specialist Certification.**
- 2. Clinical Nurse Specialist certification fee of \$500.00.**
- 3. Required documentation to determine certification eligibility. Please refer to the application requirements for Clinical Nurse Specialist certification (Pages 4, 5 & 6) and select the appropriate method by which to qualify.**

If you do not possess a current, clear and active California RN license and have never applied for a California RN license, an Application for California RN Licensure by Endorsement must also be submitted. If you have had a permanent California RN license, you must renew/reactivate the California RN license.

Clinical Nurse Specialist application fee is an earned fee; therefore, when an applicant is found ineligible the application fee is not refunded. Processing times for certification may vary, depending on the receipt of documentation from academic programs, associations/national organizations or evaluators. Processing a Clinical Nurse Specialist certification application indicating disciplinary action(s) and/or voluntary surrender(s) may take longer. A pending application file is not a public record; therefore, an applicant must sign a release of information before the Board of Registered Nursing will release information to the public, including employers, relatives or other third parties. Once you are certified, your address of record must be disclosed to the public upon request. All requests for information are mandatory.

GENERAL INSTRUCTIONS (CONT'D)

II. Name and/or Address Changes

California Code of Regulations, Section 1409.1 requires that you notify the Board of Registered Nursing of all name and address changes within thirty (30) days of any change. You may call the Board of Registered Nursing regarding the change of address of record. If you have changed your name, please submit a letter of explanation regarding the requested name change plus applicable documentation such as a copy of a marriage certificate, divorce decree or a driver's license.

III. U.S. Social Security Number or Individual Taxpayer Identification Number (ITIN)

Disclosure of your U.S. Social Security Number/ITIN is mandatory. Section 30 of the Business and Professions Code and Public Law 94-455 (42 USCA 405 (c)(2)(C)) authorize collection of your U.S. Social Security Number/ITIN. Your U.S. Social Security Number/ITIN will be used exclusively for tax enforcement purposes, for purposes of compliance with any judgment or order for family support in accordance with Section 11350.6 of the Welfare and Institutions Code, or for verification of licensure, certification or examination status by a licensing or examination entity which utilizes a national examination and where licensure is reciprocal with the requesting state. **If you fail to disclose your U.S. Social Security Number/ITIN, your application for initial or renewal of licensure/certification will not be processed.** You will be reported to the Franchise Tax Board, who may assess a \$100 penalty against you.

ALERT: Effective July 1, 2012, the Board of Registered Nursing is required to deny an application for licensure and to suspend the license/certification/registration of any applicant or licensee who has outstanding tax obligations due to the Franchise Tax Board (FTB) of the State Board of Equalization (BOE) and appears on either the FTB or BOE's certified lists of top 500 tax delinquencies over \$100.00. (AB 1424, Perea, Chapter 455, Statutes of 2011)

IV. Reporting ALL Discipline(s) and/or Voluntary Surrender(s) Against Licenses/Certificates

Applicants are required under law to report all disciplinary action(s) and/or voluntary surrender(s) against an applicant's clinical nurse specialist, registered nurse, practical nurse, vocational nurse or other professional license/certificate.

Failure to report prior disciplinary action(s) and/or voluntary surrender(s) is considered falsification of application and is grounds for denial of licensure/certification or revocation of license/certificate.

When reporting prior disciplinary action(s) and/or voluntary surrender(s), **applicants are required to provide a full written explanation of:** circumstances surrounding the disciplinary action(s) and/or voluntary surrender(s), the date of incident(s), disciplinary action(s) and/or voluntary surrender(s). State board determinations/decisions should also be included.

GENERAL INSTRUCTIONS (CONT'D)

To make a determination in these cases, the Board of Registered Nursing considers the nature and severity of the offense, additional subsequent acts, recency of acts or crimes, compliance with court sanctions and evidence of rehabilitation.

The burden of proof lies with the applicant to demonstrate acceptable documented evidence of rehabilitation. Examples of rehabilitation evidence include, but are not limited to:

- Recent dated letter from applicant describing rehabilitative efforts or changes in life to prevent future problems.
- Letters of reference on official letterhead from employers, nursing instructors, health professionals, professional counselors, parole or probation officers, or other individuals in positions of authority who are knowledgeable about your rehabilitation efforts.
- Letters from recognized recovery programs and/or counselors attesting to current sobriety and length of time of sobriety, if there is a history of alcohol or drug abuse.
- Proof of community work, schooling, self-improvement efforts.

All of the above items should be mailed **directly** to the Board of Registered Nursing by the individual(s) or agency who is providing information about the applicant. Have these items sent to the Board of Registered Nursing, Licensing Unit – Advanced Practice Certification (CNS), P.O. Box 944210, Sacramento, CA 94244-2100.

It is the responsibility of the applicant to provide sufficient rehabilitation evidence on a timely basis so that a certification determination can be made.

An applicant is also required to immediately report, in writing, to the Board of Registered Nursing any disciplinary action(s) and/or voluntary surrender(s) which occur between the date the application was filed and the date that a California Clinical Nurse Specialist certificate is issued.
