**Amend § 1427. Clinical Facilities.**

- (a) A nursing program shall not utilize any agency or facility for clinical experience without prior approval by the board. Each program must submit evidence that it has complied with the requirements of subdivisions (b), (c), and (d) of this section and the policies outlined by the board.
- (b) A program that utilizes an agency or facility for clinical experience shall maintain written objectives for student learning in such facilities, and shall assign students only to facilities that can provide the experience necessary to meet those objectives.
- (c) Each such program shall maintain written agreements with such facilities and such agreements shall include the following:
- (1) Assurance of the availability and appropriateness of the learning environment in relation to the program's written objectives;
  - (2) Provision for orientation of faculty and students;
  - (3) A specification of the responsibilities and authority of the facility's staff as related to the program and to the educational experience of the students;
  - (4) Assurance that staff is adequate in number and quality to ensure safe and continuous health care services to patients;
  - (5) Provisions for continuing communication between the facility and the program; and
  - (6) A description of the responsibilities of faculty assigned to the facility utilized by the program.
- (d) In selecting a new clinical agency or facility for student placement, the program shall take into consideration the impact that an additional group of students would have on students of other nursing programs already assigned to the agency or facility.
- (e) A nursing program shall report to a designee of the Board in writing any changes the program makes to their use of clinical facilities within ninety (90) calendar days of making a change. By no later than December 31 of each year, a nursing program shall confirm in response to an inquiry from the Board whether the program has made any such changes in addition to those, if any, already reported by the program to the Board within the calendar year. If necessary, the program shall report any additional changes to the Board that have not been reported for that calendar year. As used in this subdivision, "changes" includes changes to the number of students from the program who have been approved for

placement at the clinical facility, changes in the annual clinical placement capacity at the clinical facility, and cancellation or alteration of clinical affiliation agreements.
